

How to get to MiNaLab in Oslo:

If you need more detailed instructions, please contact MiNaLab at SINTEF in Oslo: tel. +47 22 06 77 19

From Oslo city centre by public transport:

Take the Metro line 3 (Sognsvann), Metro line 4, Metro line 5 (Storo) or Tram line 17 or 18 (Rikshospitalet) to Forskningsparken. Follow the tram line to the sign that reads "Forskningsparken." MiNaLab is the glass fronted building, on the left hand side of the street. The main entrance is on the opposite side of the building, facing Gaustadalléen and a small blue building.

From the airport by public transport:

Alt. 1: Take the Airport Coach from B28 (NOR-WAY Flybusssekspress), and get off at Gaustad (Rikshospitalet). Cross the Ring 3 (use the foot-bridge) and follow the footpath past the SINTEF-building (on your right). Walk straight on, past the Nemko-building until you reach Gaustadalléen and the tram lines. Turn right, and you will see MiNaLab (SINTEF) – the grey building on the left hand side of the street. The main entrance is facing the low blue building.

Alt. 2: Take the airport express train (Flytoget) to Oslo S. (Central Station), and from there the Metro (line 3 or 5) to Forskningsparken. For further directions see "From Oslo city centre by public transport."

From the airport by car:

Take the motor way (E6) to Oslo. Just after the toll plaza the motor way divides into two, keep right and follow signs onto the Ring 3 towards Smestad. Stay on the Ring 3 until you reach Ullevål Stadion. Turn off towards Rikshospitalet (just after the red foot-bridge and by the Mac Donald's restaurant). Take the second exit at the roundabout, past the car park and then turn left down Gaustadalléen (watch out for crossing trams). Stay on Gaustadalléen until you reach the sign "Forskningsparken." Turn left and then left again (sharp turn) and drive as far as you get. MiNaLab is next to the low blue building.

From Drammen by car:

Exit the E18 at Lysaker and follow signs onto the Ring 3 towards Smestad and Sinsen. Stay on the Ring 3 through the toll plaza. Keep right, and take the first exit after the toll plaza. Follow signs to Rikshospitalet, through two roundabouts, past the car park, and then turn left down Gaustadalléen. Follow Gaustadalléen straight down (and back under the Ring 3) until you reach the sign "Forskningsparken." Turn left and then left again (sharp turn) and drive as far as you get. MiNaLab is next to the low blue building.

From Oslo city centre by car:

Alt. 1: Take the Ring 2 (Kirkeveien), and turn off towards the University (Blindernveien). Stay on Blindernveien through the University campus, and then turn right at Problemveien. Cross the tram line twice, and turn left down Gaustadalléen. Turn left at the sign "Forskningsparken," then left again (sharp turn) and drive as far as you get. MiNaLab is next to the low blue building.

Alt. 2: Take Sognsveien to Ullevål Stadion, and then follow signs onto the Ring 3 towards Smestad and Drammen (west bound). For further directions see "From the airport by car."
